Karen and Nigel,

Just to say thank you for a wonderful night last night, and for making us feel welcomed. We had a genuinely great time, and met some lovely couples.

The environment, the atmosphere and the people placed us at ease from the outset, and the night just got better from there.

Sorry, we didn't get a chance to say goodbye, but naturally you were busy by then! (3.30 am).We will come back very soon indeed! Just keep us on your mailing list for email updates.

Anyway, Karen, you told me to remind you about the idea of organising a beano to Fun4Two in Holland, which I feel could be a blinder of a weekend. We would go, and the couple we know locally, and so a minibus or something on the Harwich-Hook van Holland ferry should be possible. Perhaps see what a few of your regulars think about a weekend in the spring or summer.

Anyway, thanks again. You have reinstated our confidence in the scene after our recent experiences at Radlett.

Love and kisses,Andy and Suzie

Hi Karen

Sorry for complaining, you are absolutely right, we mustn't be too hard onthe softies! It is just that we had such a wonderful inclusive experiencethe first time, we though it would always be like that! I really appreciate what you said in your mail, and we will try a full swap night soon, but unfortunately are busy for both the September and October dates - we are getting married on 25th October, so things are catching up with us!

Hope you can locate Sue and Pete for us, and we really look forward to seeing you soon.

Hi Karen and Nigel,

Just a quick mail to say thanks for the other night :o) You bent over backwards to accommodate me and I really appreciated it.

I think my introduction to Litsa went very well ;o) and we both had a great time.

Do u have broadband at home? If u do then I will mail you the software for animating pics, or if not I will drop a disc in the post to you. Either way its no problem. It's simple software and great fun bringing pics to life ;o)

Keep well and thank you again for hosting such a great party. Unfortunately I think we are away on Hols for the next date but will see you again real soon.

Party 5th April 2006

Dear Karen & Nigel,

We'd like to thank you for making us welcome and providing such a fun evening. It was our first party and we enjoyed ourselves. You and your lovely home made us very relaxed and comfortable. Thanks too for all the hard work that we know must have gone into the preparation. We're really sorry we didn't chat to you more, it must have seemed very rude as we were first timers. We promise that if we get invited back we'll be better behaved.

Oh, we've just realized you probably haven't a clue who we are but the ugly bloke and the girl in the red leather dress may ring a bell for Karen.

Thanks a million again.

Sandra & Rob. xx

Hi Karen and Nigel,

Just wanted to say a big 'Thank You' for a wonderful party last Saturday (April 5th), it was good to see so many similar minded people enjoying themselves without any pressure at all.

As you know, it was our first ever party and although we left early, we are very much looking forward to attending your party on Saturday May 3rd - provided, of course, we are invited.

Although we had a good idea what to expect, you never really know until you get there and we both thought that you and Nigel were exceptional hosts who had obviously gone to great lengths to ensure a very relaxed and friendly atmosphere for all. Although short, this was undoubtedly our best evening so far and we now feel very relaxed about attending your future parties.

Please include us for May 3rd.

Many thanks to you both,

Steve and Tracey

Dear Karen

We had a great time last Saturday. I hope we shall be able to come to another party either on 25 April or 3rd May.

We are enthusiastic participants, and we met a lovely couple and had a good time together.

Hope to see you again soon,

Martin and Eliana.

Hi Karen.

Thank you very much for a wonderful party, both Laura and I had an excellent time. You did a magnificent job of organising and hosting it. Laura was really sorry not to spend more (intimate) time with you Karen, and we hope you be able to come up for Cocktails as we talked about next Saturday (8th Feb), I have attached directions. Laura is very excited about the prospect and is charging up all her toys ready for some fun. We can also talk about video/stills when we see you.

Hi Karen & Nigel,

thank you for a great party last night (04th Jan) we really enjoyed ourselves and appreciate the effort you must put in to ensuring a relaxed and friendly atmosphere to your parties.

Have to say the meeters' and greeters' are fantastic and really set the mood, with their friendly smiles and warm welcome to the evening, (even if they did remind us of a very embarrassing moment about our taxi at our previous party!) lol

Once again a brilliant night that has left us with new friends, some very erotic memories and buzzing with excitement for our next party with you.

Love S & K

Hi Karen & Nigel

As you were pre occupied we could not say goodnight.

Thanks for a wonderful evening.

We will be on holiday so will have to miss the Feb party but will attend the March party all being well.

Thanks again Roy/Irene

Hi to you both

Just a quick e mail to say thank you for last night, we had a wonderful time. As first timers (to anything!) we were made to feel at ease in no time and we both now regret having so much to drink for Dutch Courage before we came!

We never expected to join in the fun on our first party but join in we did! Hope you will consider us for your next party - the journey from Southampton is very much worth it!

Thanks for a good time last night Venue was lovely People were friendly

Fun was great

Hospitality was excellent

We want to come to the December party and will apply via the site

Jan & Dave – Horley

Hi K & N

We really enjoyed the party last and managed to find our way back to the hotel before traveling back to home today. hope the house did not suffer too much chaos.

We met some lovely couples and enjoyed a very prolonged session with one couple upstairs.

We will definitely be coming again in November, if invited - we will arrive early again so we can park on the drive again.

Good morning!

Take care of yourself, keep smiling and we'll see you on the 19th.
