

Karen & Nigel - Your Party Hosts

Some of you out there may know about us already from previous parties, but for those of you who don't here is a little about us.

We are in our 30's and are happily married with 4 children and have been involved in the swinging scene for a little over 8 years.

Karen is 5'8, very BI and loves to dress up, wear wild and revealing lingerie, leather and PVC. She 's an exhibitionist too!

Nigel (my hubby) is a tall, long haired, blue eyed, male with straight medium/muscular build, loves to play, loves playing with girls (obviously) and is really good at oral which incidentally I adore.

Both of us really love to party and nothing is too outrageous. We hold our swinging parties at least once a month and advertise all dates on the site in advance so keep an eye on the site for updates regularly!
